

# March

**On the anniversary of the 1980s massacre of  
political prisoners in Iran**

**AND**

**In commemoration of those who lost their lives,  
fighting for freedom and equality**

Most of the victims in 1980s were prisoners executed immediately after a trial by the Islamic military court, with no legal representation. They were asked only 3 questions:

Do you believe in Islam?

Do you accept the Islamic regime of Iran?

Are you opposed to your organisation's beliefs?

All those who answered NO to any of those questions were immediately executed.

**Solidarity with the Iranian People's Struggle (SWIPS)** invites all freedom fighters, human rights activists and those individuals and organisations, political parties and Trade union activists who oppose the torture and execution of political prisoners in Iran to actively participate in the march.
